

Chinese American Neurological Association (CANA)
7th Annual Conference (Nov. 4th- 6th, 2022, Atlanta GA)
(Jointly Sponsored by CANA, ANACP, CMAATL)
Atlanta Evergreen Marriott Conference Resort
(4021 Lakeview Dr. Stone Mountain, GA 30083 Tel: 770-879-9900)

Dear Supporters,

The Chinese American Neurological Association (CANA) is proud to announce our 7th Annual Meeting at Atlanta Evergreen Marriott Conference Resort, 4021 Lakeview Dr. Stone Mountain, GA 30083 (Tel: 770-879-9900) from Nov 4th to Nov 6, 2022. This year's meeting will be joint with Association of North American Chinese Physicians (ANACP) and Chinese Medical Association of Atlanta (CMAATL).

CANA is a non-for-profit organization for Neurologists of Chinese origin in North America (<http://www.cana-us.org>). The mission of CANA is to further education, clinical research, information exchange and patient care in Neuroscience and related field by organizing forums, seminars, symposia and other education activities; by encouraging information exchange in the practice and research of neuroscience and finally by advocating and supporting issues that may be beneficial to the members.

The CANA 2022 annual meeting will feature an outstanding CME program including updates on current treatments on neurological disorders. Resident awardees will present their interesting cases. Private practitioners will share their insight of thriving in currents healthcare system.

This convention offers an ideal setting for members and sponsors to interact. Exhibitors have the unique opportunity to showcase their products and services to over 300 physicians including CANA, ANACP and CMAATL members.

We hope you will continue providing the same or higher level of support to our professional organization. Please refer to the enclosed 'Sponsorship Package' for more information. CANA is a 501(c) 3 tax-exempt non-profit organization. Our tax ID number is 47-1261287. If you have any questions, please feel free to contact us.

Your contributions enable CANA to continue our community outreach, patient education, physician education and the growth of our healthcare organization.
